HOW TO FIND OXFORD SCHOOL OF REFLEXOLOGY

If you look at any road map you will see Wheatley just next to Junction 8 of the M40.

From Junction 8, take the A40 (via Junction 8A and the A418 if you are coming from the North) towards Oxford.

Take the first turning off the slip road marked Wheatley. Keep on the same road (London Road) after entering the village, over a bridge and past an Asda on your left.

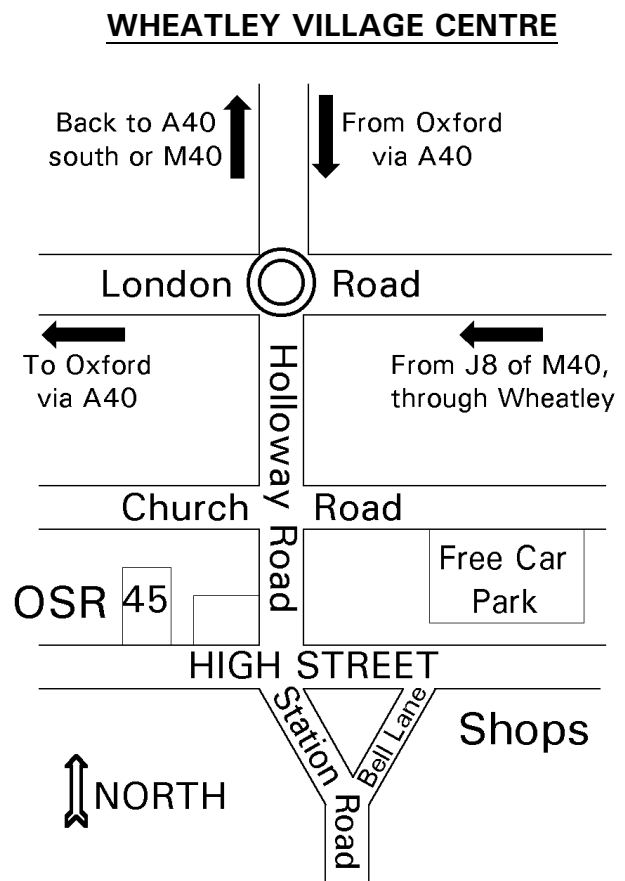

Keep going on the same road, past the car dealers and aquarium showrooms, past the King's Arms on the left, to the first roundabout you find. This is the one shown at the top of the map.

Turn left. You will come down a hill to a crossroads. If you turn left again, you will soon see the entrance to a free car park on the right just past the bus stop.

If there are no spaces in the car park (sometimes), there are free spaces further along Church Road. Parking next to OSR is limited to one hour except on Sundays, but if you are coming on a pushbike or motorbike there is plenty of room in the alleyway next to us.

From the car park, walk downhill through the passageway past the pub, turn right onto the High Street opposite the war memorial, keep going over Holloway Road and you will see No 45 on your right, just past the antique shop. This is both Wheatley Complementary Therapy Clinic and Oxford School of Reflexology.

See you there!
