

HOW TO FIND US

We're in Wheatley, Oxford, just off Junction 8 of the M40 - about 40 minutes from West London, or an hour from Birmingham, Cheltenham or Milton Keynes.

We try to maintain a stock of all the variants of Lafuma recliner, as well as of the spares and accessories - feel free to call us to check whether we have the Lafuma item you require in stock. We deliver by next-day courier throughout the mainland UK, by Royal Mail Standard Parcels to offshore islands, and by Parcelforce to Ireland.

OXFORD THERAPY SUPPLIES

Oxford Therapy Supplies

Lafuma Recliners and more ...

Lafuma recliners come in two basic types, depending on the fabric used. You have a choice between "Airlon" padded material, with about an inch thick of comfort padding, or "Batyline" water-resistant mesh, which is not padded but stretchy instead, moulding slightly to your body shape for just as much comfort as the padded version.

RSX Padded Recliners
Available in Burgundy, Green and Navy

RSXA Batyline Recliners
Available in Seigle (Rye), Tweed, Black, Green and for a limited time Denim Hardwood (Iroko) armrests on Seigle and Tweed

Lafuma Stools/Directors' Chairs to complement the range of recliners. Suitable for therapy use, camping, caravanning or anywhere you need something small and lightweight but comfy to sit on.

The smaller stools fold completely flat, making them ideal for packing away in small spaces or carrying around on reflexology visits in your Lafuma carry case.

PH stool - lightweight but stable, in Green, Navy or Seigle

CNO folding chair with backrest, in Green or Navy

FGX-XL wide director's chair, in Green or Navy

FRS FOLDING RECLINING CHAIR super-comfy but lightweight five-position recliner
